

# Studying in Germany

## Prep4CBS

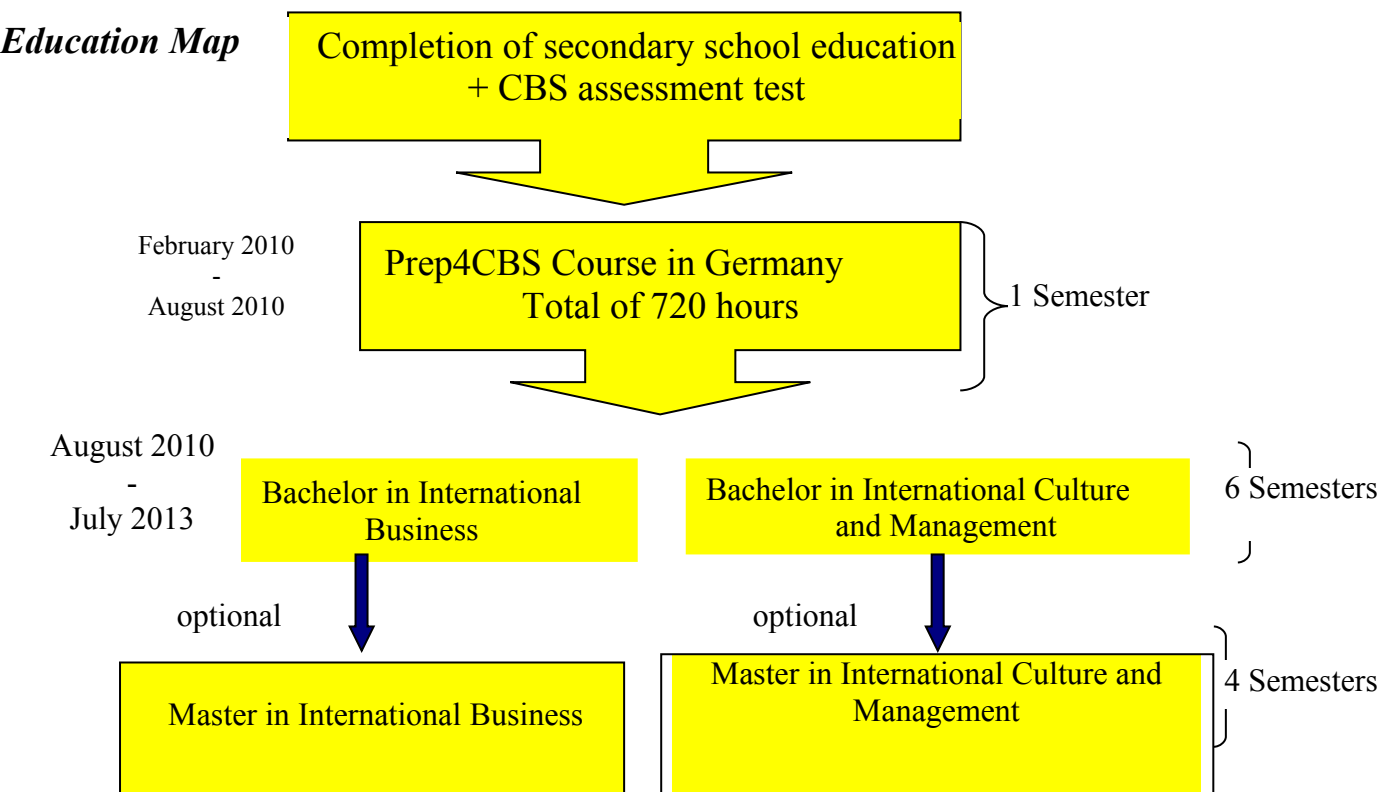

Preparation Course for  
Bachelor's Studies at CBS and  
North-Rhine Westphalia

## Prep4CBS Course

The preparation course qualifies our students to begin a **Bachelor program** and a consecutive **Master program** at the internationally recognized Cologne Business School.

## Prep4CBS offers

- An international campus
- Small study groups (max. of 30 students)
- An ideal preparation for the **Bachelor and Master program**
- An efficient program structure that guarantees all necessary qualifications in only six months
- Entrance qualifications for the **Bachelor program with a consecutive Master**
- The tuition language at CBS is exclusively English, thus contributing to an international teaching and learning environment
- no previous German knowledge is required
- The Bachelor program starts directly after the Prep4CBS Course, so the students do not waste time

# Course Content

The course runs six months and comprises the following content:

## Economics (6 hrs per week):

- Market and price
- Economic systems
- Economic circulation, national product and national income
- Money, currency and foreign trade
- Economic policies
- Chosen topics from business operations and law

## English (12 hrs per week):

- Listening comprehension
- Reading comprehension
- Scientific structures
- Text production

## Mathematics (8 hrs per week):

- Basic mathematic knowledge and terms
- Equations and inequations with one variable, linear equation systems, Gauß method and Cramer rule
- Functions and graphs, algebra
- Curve sketching
- Integral calculus

Optional:

- Statistics and calculus of probabilities
- Financial mathematics
- Market pricing
- Linear inequations
- Vector analysis/ algebra
- “Numerische Verfahren”

## German\* (4 hrs per week):

- No prior German language knowledge is required
- Basic skills for every-day life
- Cultural training

\* Students who successfully complete the German course have the possibility to deepen their German language skills during the Bachelor program and obtain a CEF (Common European Framework) certificate.

After a successful test the students receive a state examination that matriculates them for the bachelor program at Cologne Business School and is the entrance qualification for any other university with English study programs in North-Rhine Westphalia.

Students who fail have the chance to resit the exam before the bachelor program starts.

## Admission Requirements

To be admitted to the Prep4CBS program, students have to fulfil the following requirements:

- Certified secondary school leaving certificate after 11/12 years of school
- Either
  - Assessment Test\* in Beijing or
  - Admission requirements for applicants to the German “Studienkolleg”.

- English language knowledge: either students successfully pass the internal CBS English test, *or* they must have the following English certificate scores:
  - TOEFL: 450 on the paper-based test
  - IELTS: 5.0
  - APIEL: 4.0
  -

\* The Assessment test in Beijing is conducted by the InterTraining Chinaservice GmbH in Beijing (please find the address on page 5 of this flyer) and serves as the entrance examination to Prep4CBS Course.

## About CBS

The CBS is an internationally renowned business school and ranks among the top German universities for business studies (CHE ranking 08/09).

Founded in 1993, the CBS is one of the pioneers to introduce the international Bachelor degree to Germany.

The Bachelor study program at CBS carries the seal of approval from the tri-national accreditation FIBAA (Foundation for International Business Administration Accreditation) with excellent appraisal in the areas of practical economics and practical relevance.

The study programme Executive MBA, organised in cooperation with the Maastricht School of Management (MSM), includes modules in Germany, as well as at partner universities in the Netherlands and in China, and it is accredited by the Association of MBA (AMBA) and the Association of Collegiate Business Schools and Programs (ACBSP).

## Applications

Please send your application, including a motivation letter, your CV and the documents listed under *Admission Requirements*, until the 31<sup>st</sup> January 2010 to our office in Beijing. We are happy to advise you and are awaiting your application!

## Cologne

Cordial, cheerful and always ready for an excuse to celebrate – a lively metropolis in the heart of Europe and one of the largest university cities in Germany, Cologne has many likeable faces. Cologne’s people are open and easy going and the multi-cultural flair in the city makes it easy to meet people and find friends – not only at Carnival time or over a beer – a Koelsch – a Cologne beer speciality. In many cocktail bars, clubs and “Colognian” pubs you can enjoy Cologne’s nightlife.

In the event hall Cologne Arena, and at other venues, international music and sports stars perform. Classical cultural events, internationally famous museums, art galleries and theatres are there waiting for you.

If you’re looking for a job, work experience or the gateway to your professional life, CBS and its close proximity to businesses is worth its weight in gold. Cologne is a location with hundreds of years of trading and trade fair tradition. Many trading companies and industrial plants – for example, from the metal industry, car manufacturing, chemical industry, pharmaceutical industry, printing, textiles – are permanently looking for enthusiastic and qualified job performers, just as much as in the music and the media branches, as junior staff members who want to successfully create their future. Make the most of your chances and opportunities!

And profit from Cologne as a city with a European flair: The Netherlands and Belgium are just across the border, Amsterdam, Paris and Brussels are very close and inviting for short trips.

Numerous airports around Cologne guarantee a connection to the world, and the close proximity to Duesseldorf with its large Chinese and Japanese community adds to the internationality of this city!
